

Family Days Program All Ages

This Program offers families an opportunity to visit the camp and spend time camping in a cooperative community atmosphere.

Just like the camp program for children the program is centered around simple outdoor living. There is no electricity or indoor plumbing. Our showers are solar. Everyone helps with the chores. We provide meals, basic camp activities, equipment and the facilities. Families can bring a tent or just sleep under the stars.

Family members can hike, swim, fish, play and relax in the mountains. Our staff will be leading activities every day, including rock climbing, canoeing, nature walks, lakeside sports, arts and crafts, archery and much more.

Overnight hike available for both family programs

If you would like to take an overnight hike with your family we will outfit you with food and backpacking equipment. The family overnight hike is optional. Many alpine lakes are perfect for family day hikes.

July and August Family Days Choice

July Family Days July 9 - July 13 5 Days

In response to requests for a family program that is more like the regular session camper experience, we've added a second Family Days program. This slightly shorter program allows campers of any age to enjoy the camp experience. In this five day program families will live in a tribe site and cook meals over wood fires in small groups with a staff member.

August Family Days Aug 18 - Aug 23 6 Days

Our six day program is very popular. Gourmet camp meals are prepared in the central kitchen by staff and family members. Everyone eats together in the meadow enjoying the view of Bear Ridge. Staff offers daily activities and nightly campfires.
