- Soap/Shampoo/Conditioner
- Full Mess Kits

Remember what you bring you have to carry for 11 or 15 days, so be kind to yourself and pack light, and share as often as you can.

For Wild and Hiking Campers – Bring a couple extra sets of clothes for the day in the basin before your hike and the last day in camp after you get back from your trip. You may bring items on the Do NOT list for use in Camp, but must leave them behind when on the trail.

For Summit to Summit Campers - Bring one extra set of clothes in a garbage bag (underwear, socks, shirt, pants) for the last day so you can have clean clothes for the bus ride home. Camp will keep it for you and bring it to the summit on the last morning.

\*Camp has equipment to loan out to campers who need it.
